Department of Accessibility

Are you a person with special needs?

Not sure what support you can get at Wrocław University of Science and Technology?

Department of Accessibility (DZD) is here for you.

Every student and doctoral candidate with special needs, including those with disabilities, can benefit from, among other things:

- support from psychologists/psychotherapists at the Psychological Counselling Centre; you can book an appointment through the app at ppp.pwr.edu.pl,
- priority enrolment in faculty and university-wide classes,
- help with matters at dean's offices and in contacts with lecturers,
- use the specialist equipment rental service,
- help and support from an Educational Assistant,
- individual, additional foreign language classes,
- the right to an individualised study plan,
- adapted rooms in student dormitories,
- a special scholarship from the Wrocław University of Science and Technology Alumni Association,
- support from the Accessibility Leader of their unit/ faculty.

In addition, people with a certified disability can:

- receive a scholarship for students/doctoral candidates with disabilities (regardless of their financial situation),
- take part in holiday training and recreational camps,
- use of adapted educational materials.
